Affordable IVF

One of the reasons the Houston Fertility Center is able to offer affordable IVF is that Dr. Kristiansen owns her own state-of-the-art laboratory.

We are thrilled to offer in vitro fertilization (IVF) for \$7,995 per cycle. Please call (713) Call-DrK (225-5375) now to schedule your consultation and begin your fertility journey. This offer will end November 30, 2011.
